experience**

about us

Established in 1995, we have over 100 care homes across the UK.

As part of Sanctuary Group, a not-for-profit organisation, we reinvest surplus income back into our homes.

We believe in giving our residents every opportunity to lead happy, enriched lives, whether that is supporting them to keep up with a favourite hobby or trying new things.

opportunities for volunteering

In our homes we have a wide range of opportunities to suit volunteers' availability, skills and interests. The following includes but are not limited to:

- Befriending
- Leisure and Social Activities
- Gardening and Maintenance
- Driving

- You take up a meaningful volunteering opportunity and have FUN.

aim

As not all of our residents have regular visits from family or friends, volunteers play a vital role in providing a valuable link to the broader world.

They offer undivided attention to individual residents and share their skills and experiences with small groups, making a meaningful impact in their lives.

“ thank you for providing me with the opportunity to volunteer at your care home. It has given me many skills that I can take with me in my future ”
