

Welcome to Briggs Lodge

Sanctuary Care's stunning residential and nursing home in the heart of Devizes, Wiltshire

Home Manager Graham Oakes

Our state of the art home first opened its doors in Spring 2019, with amazing features and traditional values at the heart of everything we do.

We hope this tour gives you a snapshot of life at Briggs Lodge and how we enrich the lives of our residents.

(Back to voiceover)

Our home has so many special rooms to enjoy and explore;

- From tucking into homemade cake in our vintage tea room with friends
- Reminiscing with a classic movie in our cinema room
- Taking in the sights and sounds of nature from the comfort of our garden room
- To enjoying a relaxing pamper session in the salon.

Our gardens are beautifully landscaped and boast wheelchair friendly pathways. There are raised flower beds for our green-fingered residents and plenty of seating areas, perfect for enjoying the warmer weather.

Briggs Lodge boasts 66 beautiful bedrooms, all of which are en-suite with walk-in wet rooms and ready to make your own. We encourage our residents to add personal trinkets and photographs to truly make it feel like home.

In our nursing bedrooms, we have specialised equipment to meet every need – ensuring our residents are comfortable and receive the best quality of care.

Our living areas are spacious and open-plan, making them the perfect place to catch up with friends or take part in one of our enriching activities.

Our team pride themselves on the range of activities we offer, enriching life for our residents every single day.

We encourage our residents to continue with their favourite pastimes from gardening and painting, to trying something new like chair football - there is always something to do.

Away from the hustle and bustle, our residents love spending time in our quiet room – enjoying views of our stunning gardens, relaxing music and even a jigsaw or two.

At Sanctuary Care, we invest in fantastic chefs and catering staff who can deliver delicious, nutritious menus and create an enjoyable dining experience for all of our residents.

Cooked or continental? Sandwiches or hot food? And of course, Fish and Chip Friday!
