Welcome to [Don Thomson House Residential Care Home](#)

Sanctuary Care's welcoming residential care home in the picturesque seaside town of Dovercourt.

***Sarah Dickson: At Don Thomson House, we really do pride ourselves on the community family feel of our home and the person-centred care our dedicated team provide.***

***We hope you enjoy our virtual tour and look forward to welcoming you to Don Thomson House very soon.***

Providing residential, dementia and pre-bookable respite care – Don Thomson House is home to just 28 residents, giving our home a real family feel.

Our en-suite bedrooms are beautifully decorated and ready to make your own with trinkets, photographs and small items of furniture.

Our spacious lounge areas are the perfect place to relax, catch up with loved ones or, even take part in an activity or two, such as sing along mornings, or our movie nights with popcorn.

Our team works hard to offer a wide range of activities, to ensure we are enriching the lives of our residents every single day - from flower arranging to our favourite game afternoons.

Meal times are also a real highlight at Don Thomson House, with our dedicated catering team providing a host of delicious and nutritious meals, all cooked from scratch to suit our residents tastes from the comfort of our spacious dining areas.

Stepping outside, our home boasts lovely landscaped gardens – a real retreat for our residents in the warmer weather. With wheelchair friendly pathways, sensory planting and plenty of seating, they really are a lovely place to spend sunny afternoons especially when we host our family BBQ days and other outdoor family events. We even have a resident pheasant called Jeffrey, who our residents love to say hello to.
