***Zillah Stanley: At Greenslades, every single member of our team is passionate about enriching the lives of each of our residents through the very best person-centred care.***

***We hope you enjoy our virtual tour and look forward to welcoming you to Greenslades soon.***

Providing nursing, dementia, and pre-bookable respite care, every member of our team at Greenslades is passionate about enriching the lives of our 65 residents.

All of our bedrooms have en-suite facilities and are spacious and ready to make your own with trinkets and small items of furniture.

At the heart of our home are the lounge and dining areas – a real hub of activity, where our residents come together to enjoy delicious home-cooked meals, relax, or enjoy one of our enriching activities.

At Greenslades, our team pride themselves on the range of activities we offer, enriching the lives of our residents every single day - from getting active with our music and movement sessions to game afternoons; there is always something to do!

For our residents who prefer a pamper, we have our own hairdressing salon – the perfect way to keep our residents feeling their best.
