Haven Residential Care Home

Welcome to [Haven Residential Care Home](#)

Sanctuary Care's beautiful residential care home in the area of Hatch End in Pinner, Greater London.

Lourdes Pascua, Home Manager: At Haven, we are so proud of our highly skilled and dedicated team; providing the very best person-centred care to our residents.

We hope you enjoy our virtual tour and look forward to hopefully welcoming you to Haven soon.

Providing residential, dementia and respite care – Haven is home to just 30 residents, giving it a real family feel for our team, residents and their loved ones.

Our en-suite bedrooms are spacious, tastefully decorated and are ready to make your own.

Some of our bedrooms have access onto our tranquil, landscaped gardens, complete with wheelchair-friendly pathways, raised planters and plenty of seating to enjoy the sights and sounds of nature.

We also have a smaller balcony garden, where our residents enjoy doing their own potting and planting with a lovely view of our larger garden.

Our team pride themselves on the range of activities we offer, enriching the lives of our residents every single day - from favourite pastimes like baking and painting, to staying active with our gentle exercise sessions.

For our residents who prefer a pamper, we have our own hairdressing salon where our mobile hairdresser provides blow-dry's, sets and trims.

Our open-plan lounge and dining areas are a wonderful place to spend time – whether you're enjoying one of our nutritious home-cooked meals, taking part in one of our enriching activities or relax with a book or two.

We also have a sensory room for our residents to relax in and is especially beneficial for our residents living with dementia.
