Welcome to [Iffley Residential and Nursing Home](#)

Claire Cullen, Home Manager: From the wide-range of care provided by our highly skilled and dedicated team, to our home's wonderful facilities and features – Iffley really does have it all.

We hope you enjoy our virtual tour and look forward to welcoming you to Iffley soon.

Providing residential, nursing, dementia and respite care – our home boasts 76 spacious en-suite bedrooms, all beautifully decorated and ready to make your own.

From the comfort of our bright dining areas, our chef and catering team serve a range of nutritious home-cooked meals every day – whilst our coffee room is the perfect place to enjoy a slice of cake with friends.

We have plenty of cosy lounge and seating areas around our home, ideal for relaxing or catching up with friends – whilst our larger lounge often hosts an activity or two!

Our team pride themselves on the range of activities we offer, enriching the lives of our residents every single day.

There is always something to do - from favourite pastimes like baking and painting, to enjoying a movie in our cinema room. We also have our own pub, where our residents can enjoy their favourite tittle and even a game of darts.

For our residents who prefer a little pampering, we have our own hairdressing salon and our mobile hairdresser visits every week for blow-drys, sets and trims. Our residents also love getting their nails done and hand massages!
