We provide residential, nursing, dementia and respite care to 68 residents.

At the heart of our home is a central courtyard, the perfect meeting place in Summer.

Our beautiful bedrooms have been recently refurbished and are all spacious and en-suite. They are ready to make your own with personal items and trinkets.

The dining area is bright and welcoming, with lovely garden views.

Our dementia floor features some beautiful high street murals and sensory areas.

We also have a lovely hairdressing salon, perfect for a pamper session.
