## Shaftesbury House Residential Care Home

Welcome to [Shaftesbury House Residential Care Home](#)

Sanctuary Care's welcoming residential care home in Ipswich.

Providing residential, dementia and pre-bookable respite care – Shaftesbury House is home to just 28 residents, giving it a real family feel for our team, residents and their loved ones.

Our bedrooms are en-suite, tastefully decorated and ready to make your own with small items of furniture and trinkets.

A range of nutritious home-cooked meals are enjoyed by our residents from the comfort of our spacious dining areas – a wonderful place to catch up with friends too.

At the heart of our home are the cosy lounge areas – perfect for relaxing with a book or taking part in one of our activities.

Our team at Shaftesbury House pride themselves on the range of activities we offer, enriching the lives of our residents every single day - from getting creative with arts and crafts to getting active with our gentle chair exercises and games. There is always something to do.

Stepping outside, the gardens at our home are wheelchair-friendly and with plenty of comfortable seating, are a wonderful place to spend time during the summer months.
